Terry sent a virtual gift in honor of Andre.

Dre started off as my neighbor and became one of my best friends. He always had a smile on his face and he was so fun to hang out with. He helped me through one of the roughest times of my life. When he moved to Arlington I went to PA and we lost contact. I'm just now finding out the news of this and it is devastating. You will be missed brother, but your memory will be forever in my heart Terry

I worked with Andre at Universal out of Chico for the past three months. He was one of the first guys on the crews that I met, and he immediately made me feel part of the team. He always spoke highly of his family. He was a great person that will be greatly missed. Thoughts and prayers are with his many family and friends.

I worked with Andre at TYC. He was an awesome guy to work with and for. I remember the times we would hang out and have fun. I know that he loved his family he would always talk about his boys and how good they were in sports, how proud he was of them in school. He would also tell me about his love for his wife. Sometimes it would be 6 months to a year before we would talk but when we did we caught up really quick. He always would always text on fathers day, major sporting events, thanksgiving and christmas. andre will be missed. From: Debra Green, Carlos Wilson, and Jamell Butler (asnf98@hotmail.com)
