Tieuél Legacy sent a virtual gift in honor of Austin.

I remember the last time that I saw and spoke to my grandfather. At that point, I hadn't seen him in decades but he knew me immediately even during a time of mourning. I send love to the closest of family members as we remain connected to this day. - Shawnré Tieuél

Time passes so quickly. It's been almost six years since Dad passed. He is truly missed. All who knew him lost a special soul, but Heaven gained an angel. Dad, we love you and miss you. I know you're praising God and having a ball in Heaven with Mom. Love Forever, Your Daughter Darlene

It's so hard to believe Dad has been gone almost five years now. We all still miss him very much, but we know God makes no mistakes. He made an impact on all who crossed his path. I hold on to the wonderful memories of the beautiful times we shared. I recall how we'd sit and talk for hours. I miss that. I can still hear his laughter and miss that too. He is in a better place now and I hold onto that. God promised there would be no more sickness, no more pain and no more sorrow in Heaven. With that said, Dad is in excellent hands with God. We'll see him again. Love His Daughter Darlene
