I remember returning to live with my parents almost four years ago, the fun we've shared since I have been back. Learning to be back, running errands, living, loving and laughing. It brought me such joy to be back home, to help when and where I could. Remembering you will only ever have one mom and dad, with whom you love dearly for the most part. I realize there are exceptions to every rule. I love my mom and dad, they are and were the best. I thank God for the parents that were given to me. God knows best and is certainly in control. Thank you Jesus!!!! ? ? ? ?
Brokenhearted when my dad left, but I know he is in a better place. Love heals all wounds.
