For anyone who believes change doesn't or won't come has already died, without knowing it. Beauty is in the eyes of the beholder. I have heard lately about how aunt Virgie was a classy lady. Look past all of that and know even in the state in which many people thought the classiness was gone, I am here to tell you it lived on, I saw her for her beautiful self, inside and out. If all we see is the outside, a lot of us are certainly blind. People are so vain and want to impose that on everyone else, if I live to see the years she did, my what a blessing and everyone deserves to see the end result. I will always love you aunt Virgie, my she-ro in so many ways because you loved me unconditionally and I tried to give it back to you. Loving with a broken heart. Happy in hope, knowing you are in a better place. ? ☺ ❤️ Resting in your Father's arms, while I am leaning on His everlasting arms.
