I remember my dad and I going on the slim fast diet together and walking the track almost every evening because if you gained any weight around Lister Wyatt he was gonna let u know it and every one else too, and when we found out i was pregnant with my son dad and i would argue every day. Dad had bells palsy so one of his eyes drooped one day he made me mad and I told him I was gonna fix that other eye for him and when I had my son his eyes was just like my dad's one eye bucked and the other half closed smh Imbo. Now my son eyes are normal but he has a head like dads.
