I've been thinking on what I want to say Jesse played a big part in my family's life he wasn't there everyday sometimes we didn't even see each other for a while but when we did it was always great. My kids grew up calling him uncle Jesse and they will always remember him that way. He had a way about him if I was sad he would always make me smile and I've seen him do that with alot of people. His mother is the best mom anyone can have she has held me when I cried and held my children when they need a hug. We were always there for eachother. I hope Jesse is laying in the bluebonnets with the wind blowing across his face and reflecting on his life and his loved ones and is no longer in pain. I will miss you jesse.

I called him Uncle Jesse, cause he was my mom's surrogate brother..I'm gonna miss his funny stories..He always had a flare for the dramatic. I loved him very much. Monica
