Mama I miss you still and always until I can feel your hugs and hear your laugh again in paradise....I love you! Then my tears will come to an end because I will have you and be with the father and all those who love the father.

My mother was THE GREATEST person I have ever known...missing her doesn't begin to cover what I feel for this lady....always..always...always love you mama. You leaving has brought me to my knees..until I see you again the world is dimmer because your light has left it. Love always..In love there is no death..you have received your crown-rest easy-love ericka
