I worked with Oscar at Gear Repair for 10 years. Boy, he was a good man and was good to me. When we gave blood at the blood drive at Gear repair, they would give him a whole bag of cookies for giving blood. He would Man Up, in spite of hating needles. God bless him and your family. I will smile every time I think of him. May he be with Jesus, Amen Rex Hodges

So sorry for your loss Ms. Linda. Oscar was a good friend and coworker, we worked together for 16 years, I remember him bringing you things to drink at the hospital many times. We would always talk for five or ten minutes when I was able to see him drive up. He will be truly missed. Carl Yarbrough: From Gear Repair And Security @ WHMC.
