God saw that you was getting tired, and he knew that he needed a flower for his garden. He said come my child and I will give you rest. Earth has no sorry that heaven can't heal. Don't say that she gave up, just say that I gave in. Jesus reached out to me and I took hold of his hand and said hear am I oh Lord. Absent from the body, but present with the Lord.

Dear Mask Family, Only God knows how much you are hurting, and only He can mend your broken heart, but I want you to know that you will always be in my thoughts, heart, and prayers. Bonnie was my sister from another mother. I dearly loved her and was so blessed to have her in my life. She had a uniquely joyful, loving spirit that brightened every room she entered. Her overflowing generosity was unsurpassed. When Bonnie was involved in anything, your cup certainly did run over! I will miss her until I join her in heaven. May the hope of salvation be yours, may God's grace, and peace comfort you, and may your abundant memories of the good times Bonnie and you shared sustain you in the healing days ahead. Love, Evangelist Dr. Sena Whitaker
