was a loving, kind, caring soul and his spirit will forever be with each of us all. We know that his passing will bring us pain and sorrow, but we shall atay strong, and rejoice for this day has brought us together to grow stronger, heal, and love each other and move forward from this day forward together with love in our hearts and God guiding us to better days, Secorrie loves to smile, laugh, and have a good time and that's how we shall remember him. He loved the Lord and nonored him, until his last breath here on earth and he will continue to honor him for eternhy. We all should really understand the word "LObecause the Lord gave us the verse to live by when you really love someone.

1. Corinthians 13:4-8:4. Love is patient, love is kind. It does not envy, it does not boast, it is now proud. 5. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. 6. Love does not delight in evil but rejoices with the truth. 7. It always protects, always trust, always hopes, always perseveres. 8. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away." May God continue to bless you through eternity Secorrie Demond Forney (Nip)."

Secorrie was full of wisdom as people say he had an old soul! He been here before.... Secorrie would bring joy and laugh to a dull environment... His smile was contagious... he had his way with words... His rhythm would make you want to dance... His vibe was all positive...He lived for the moment... He loved like Christ loved us. In all of that he knew who Jesus was... He was saved... I thank God for the person that you were.. I will forever cherish the memories. Signed Your First Cousin Vicki
