My love and condolences goes out to Mrs. Mosley lovely family and friends. I enjoyed so much visiting with Mrs. Arverta Mosley in person or by phone over the years. I am pleased that I was able to interview her in March of 2005 and contribute a Biographical sketch of her for the Notable Women Polk County Texas Publication (AAUW) American Association of University Women of Polk County, Texas: page 151-152. She also was a frequent guest on my Radio show over the years. We learned so much from her. She always thanked me for thinking about her.

To the Family of Mrs. Arverta Mosley, I send my sincere and deepest condolences to each of you. As a young lady growing up in Livingston and having the opportunity of knowing Sis. Mosley was an honor and a privilege. She was very influential in helping me to raise my small children and giving me biblical insight even in my everyday life. I had the opportunity to go to her home on many occasions and whenever you entered her home she was offering you hospitality and you always wanted to come again. Things that I learned from her, will always be treasured. I pray God will strengthen each of you during this time of Bereavement. Heaven has definitely gained a Beautiful Angel. Love you Ms. Rosemary. Love Rev. & Sis. Douglas R. Wright

To the Family of Mrs. Alverta Mosley (Cousin Time), I Robert L. Long, Jr. (Huck-a-Buck) send my sincere, deepest sympathy, condolences to the family, and friends. Cousin Time was one of the sweetest, smartest/intelligent, and pretest individuals a person could meet. I was fortunate enough, that I got to spend a lot of time with her mother Cousin Mary (Budd) staying with her when the grandson/nephew would go on weekend/summer vacations to his dad. So I got the opportunity to go stay with Cousin Mary during those periods. In doing so I got to be a part of the family during those stays with Cousin Time's mom. Cousin Budd made the best T-cakes in the world. She would put crispy crème out of business...smile. I have so many memories I could share, even when we moved to Livingston in 1969, that was when we really got to know Cousin Time, and her husband Mr. Bud Mosley. What a team. Cousin Time was a little taller than her mom but reminded me so much of her a lot. May God Bless. Love Always,Huck-a Buck (509)539-8021
