I wish I could go back in time and change a few things and I bet you would still be here today but God needed you more than we did!! I know you are preparing a wonderful place in heaven for us!! I met Kelly as a gangly teenager. She and my oldest daughter became good friends Life has many roads and I will miss the Kelly that was. She always had a way of making you laugh and sometimes so hard you were in tears. She will be missed by many. May your hearts be at peace knowing she is being taken care of in Heaven.
