Tammy and I were close to one another, we had a few bumps in the road over the years. We always seemed to work them out. She was a sweet and kind hearted person and i loved her Tammy and I have been sisters for 41 years , I was messaging her juat last week and she said she was feeling ok just tired. Well we never know when our last day in this world will be but I do Know that Tammy believed in the Lord we talked about a lot of things and that was just one of the things we talked about. I'm sure going to miss her. I love you Tammy. RIP TammyBetty Poole

Me too, but like she kept reassuring me she wasn't leaving me. She said my body will be gone but I will always be here for you and watching over you.

She made me laugh with her southern twang. The last time I saw her in March 2019, we had a nice lunch and visit. I'm going to miss the funny posts she used to make, the chats at 4am when we both couldn't sleep. Love you little sister, till we meet again. jane
