Our Menzie 😊 BigMama always gave everyone a nick name. He only became Jell when he thought he was grown! 😂😂 We shared so many wonderful memories playing in the fields, and the woods and just hanging out in Big Mama's backyard. Those were some of the best times of my childhood. But thing about FAMILY is no matter how much time may have passed in between the last reunion or holiday. Whenever we did get together, the love was still just as strong. It was like time had never passed. And we always ended our good bye with a hug and I love you. You will truly be missed Cousin , but always loved. Until we meet again, I love you, Sista Pegg

Jell Cartwright aka Mizzie you will truly be missed. You were very shy, quiet, and a amazing person who I was glad to know and to be your cousin. We were raised by some strong women who showed us and told everything we needed to know to make it in this world and you did more and beyond what you were raised to do. You was a caring and loving person and was always there through everything and I am so thankful and gratefully to have shared these years with you. RIH Cousin and kiss Tuh, Bobia aka Ma, Becca and JoAnn for me until we all see each other again. Love Punk
