I met this family a long time ago growing up on Glenn St. Her family lived on the St. over on Rowe St. Me and one of her sisters were really close as was she and my older sister(Pearlie) were. Our families were and had always been close. Even though we may not have seen each others in days, months or even years we never forgot the love or friendship. To Homer, Tina, Penny and Undre I love you all and be encouraged! ❤️😊
