Melvin, We will be waiting for you. For your touch when the gentle wind blows across our faces. We will be looking for you driving by in a clean shiny truck even on a rainy day. I will be hearing your voice your laughter "You got jokes" I will remember when you said you laid your head in God's lap. I will be thanking God that He gave His only begotten son for such a time as this, that he allowed us to open a window in our hearts to look out and see the beautiful being that he created. I will see you through my dreams and visions, through your spirit and love! We will be seeing you and loving you forever more. Felicia may you and your family find solace in knowing that Melvin will remain with us as long as we can remember. God bless: Mom and Dad Cookie and Archie "Killer" Rogers
