I am so incredibly sorry for your loss. Faylene was such an important part of my life when I was growing up. She was a role model to me and a true friend. My whole family loved her dearly. I will always remember her laugh and her facial expressions that conveyed exactly what she was thinking without any words at all. I know she will be missed by so many, and I also know the reunions in Heaven have been and will be joyous. Much love to Willis, Karl, Keith, Kristi, and the rest of the family.

I have so many great memories of Mrs Faye Williams. She let me catch a ride with her and Kristi to Dunbar for 7th grade. She was always so polite and such a blessing to me and my family. My Mom, Sister, and I traveled by bus with her and Kristi to California one summer. It took us 3 days to make it there. We had so much fun with them while visiting Mrs Polly and My Aunt Charlene. May you Rest In Peace and give my Mom (you called her Sue Cat) when you see her. Sending love and prayers to the Williams family. Love, Freda Thomas Governor
