My heart is filled with sadness, but I am also rejoicing that you are now safe God arms. We did many things together in ministry and you taught me how to be a dedicated and faithful worker. I will never forget all the ventures we had, the talks, the laughs, the cries, etc. You loved God and people with your whole heart. Thank you for loving my daughter as your own. I am going to miss you greatly. Praying for family. Love you Doris.

She loved me as if was her own! She taught me how to aide a leader, how to pray, call on the name of Jesus and nobody could sing "Power Lord" like Mama Doris! Praying for the entire family, she will definitely be missed! Love Danchelle "Puck"

I was introduced to Doris in 2004 by Min. Royce Johnson while in Houston. We stayed connected. My favorite memory is, every time she heard we were getting snow in Baltimore she would say, " make sure you send pictures." I will miss our phone calls. I thank God for allowing our paths to cross ❤️
