I met Chuck when I was 21 and was immediately attracted to him. We met on a blind date set up through a friend. My first real job, was with General Motors thanks to Chuck. I'm heart broken to hear he has left this earth. Chuck truly was a kind, generous and exciting human being. I've thought of him fondly over the many years. I remember how much he loved his family. What a good man. To his family, I am so sorry for your loss.
