My Uncle My Uncle, he was a really funny young man. He always kept us rolling, him and his brothers and sisters. He was a very lively and enjoyable person that will be missed. The last time he seen me, he ask was that you Brandy and I said yes sir, well I can't call you little Brandy no more, girl you done got big. All I could do is laugh because it was the truth. To my cousins Jackie and Robert stay strong for there is no more suffering, and for my Aunt Hazel keep singing and and praising God, and for his siblings including my mother everything is going to be ok stay strong. For Uncle MT will be watching over you all forever. A job well done Unc, A job well done. Say hello to all of the family members up there especially my daddy. I love you Unc and sleep well. I love my family and see you all soon.
