My daddy was the best man ever! He taught my sister and I everything we know now. He had just recently moved to Tyler to come stay with us even though it was just 2 weeks he lived those two weeks loved. He enjoyed seeing his grandkids everyday and just being with us. Sincere condolences to my family. For as long as I can remember he would always say what's up cuz? Or he was saying how you been doing cuz? And I was always called Cinthi. Going to miss hearing you say my name or cuz. I know it was always from a place of love. Sometimes we don't understand how much people mean to us until we really stopped and reflect. I will always cherish special memories from Junior high West matter of fact I can go back to Trout elementary all the way through Lufkin high School, having children and grandchildren and looking to see how good God has been. One fond memory is one Easter the boys always like to crack Easter eggs on top of people's head and of course the boys really thought that was funny. Rest easy cuz no more sickness no more pain in this lifetime in this lifetime. Love you much, Cinthi ❤️🙏
