Seroos and Family, my sincere condolences go out to you all. Momma Dee was always welcoming and Loving, I will never forget my first time meeting you and Momma Dee back in 95, I stayed a few nights in Houston with you guys because uncle Dave wanted me to, and that was the beginning of our Family bond. Onething I will say is Momma Dee Loved you, and when her and uncle Dave came to Seattle I met them and picked them up, and we had dinner at the house, and she said Seroos would Love Seattle, you was her everything. Those Loving qualities you got from her, I see you have that same Loving spirit with your kids. Momma Dee may not be here in the physical form, but her kind and loving spirit will always live on.
