My husband and I just found out today about His passing. He sold us our first new car and many after that. Even after he retired he made sure we were treated right. We saw him just a couple of weeks before he passed. He was a good man!!

I bought my current Nissan from Lenard and had known him many years as part of the family at Mercer Nissan Mazda. He had a smile and a story for everyone that walked in, whether he was your salesman or not. He was always helpful and upbeat. Buying my next car will just not be "right" without seeing Lenard around. Rest in peace, Lenard. You were loved by many.

We knew Lenard for over 40 years & during that time we shared the highs & lows of life with him. Lenard never met a stranger. If you bought a vehicle from Lenard you became life long friends. And once you bought a car from him, you never bought a car from anyone else. Lenard was the person you called if you ran out of gas because he would get a gas can & bring you gas.. You called Lenard if you were in town shopping & had forgotten your wallet and he came to you with money. Lenard was the person you sent your children & grandchildren to for their vehicles. He earned your trust & friendship. Lenard had a big personality & he made the world brighter. He will be so very missed.
