Carla was one of the most beautiful souls walking the face of the earth, from the outside and most importantly inside. She was an humble servant of God which was passionately demonstrated by the love and affection that she showed to her family and friends.

Carla always had a warm heart, encouraging words, and a loud love for God that she expressed daily! She always made sure her first words given to the world was "Good Morning God. I love you!"

Carla attended school in Houston, Tx where she was a proud member of the family that grew on Berry Road where many life long memories, friendships, and strong bonds were held deeply in her heart.

To know Carla, it means that you knew her most prized possessions were held to her love for her children. She had an overabundance of love for each of them. She proudly showed them off every chance she could.

Carla also cherished and adored her beloved fiance Michael. They had a love that she expressed to everyone and their compassion for one another was a beautiful union.

I could go on and on about my mother. I know heaven is rejoicing, I know she's not in pain and I know she's in the best hands she could ever be in. I have countless memories of my mama but she's not a memory to me. I know she lives on, I still feels she's here watching over us, checking up on us. From being a mother to a sister to a friend to a stranger she represented in the way u would wish the world would!! I can't be selfish so I thank GOD for blessing us with such a presence!! Such a woman!! Though I miss her everyday day I have to be strong as u raised us to be!! Your legacy and legend will always live on!! I love u forever bby!! Your favorite child-DDT
